Please Do Not Feed Stray Cats **請勿餵飼流浪貓**

DETAILS 詳情:

We have recently received complaints that some residents are suspected of feeding stray cats in the common areas, which may affect the environmental hygiene of the estate.

In order to maintain a hygienic and pleasant living environment for our residents, we would therefore advise residents and their domestic helpers (if any) not to feed stray cats. Service Centre will monitor the situation closely and take appropriate action when necessary.

Thank you for your attention and co-operation.
